

Northern Essex Community College - Anatomy and Physiology II

SCHEDULE - Spring 2024 - Bio 122 OGA

8 Week - Online - Asynchronous

Below is a tentative but probable schedule of topics and dates. The schedule may be modified according to the progress of the lecture or unforeseen circumstances.

NOTE: the lowest exam grade may be dropped with the exception of the:

- Lab Practical #2
- Reproductive Exams (Male & Female)

→ **Exam Administration** - exams administered on **BLACKBOARD** will open at 8 am and must be completed by 11:59 pm. Please plan accordingly.

→ **Unexpected College Closures** – As this course is of online/asynchronous modality unforeseen college closures do not affect the schedule below, but with one exception. Should online internet access be compromised at the college on an exam date, the schedule will be modified.
