

## *Anatomy and Physiology II*

### *SCHEDULE – Summer 2024 – NECC – Bio 122-L2A*

#### 12 Week - Hybrid

Below is a tentative but probable schedule of topics and dates. The schedule may be modified according to the progress of the lecture or unforeseen circumstances.

Exams are administered on Blackboard and are open from 8 and are to be completed by 11:59 pm.

NOTE: the lowest exam grade may be dropped with the exception of the:

- Reproductive Exams (male and female)
- Final Exam (Lab Practical #2)

#### Module and Exam DATES

---

May 24 (Fri)	→ Start Module - Blood
May 31 (Fri)	Exam – Blood (IN CLASS) → Start Module – Heart * Lab Heart Anatomy
June 7 (Fri)	Exam - Heart (IN CLASS) → Start Module - Vessels and Routes * Lab Vessel Identification
June 13 (Thurs)	Exam – Vessels and Routes (BLACKBOARD) → Start Module - Lymphatic
June 14 (Fri)	→ Continue Module - Lymphatic * Lab Vessel Identification
June 18 (TUES)	Exam – Lymphatic (BLACKBOARD) → Start Module - Non-specific Host Immunity
June 21 (Fri)	→ Continue Module - Non-specific Host Immunity * Review for Lab Practical #1

---

June 22 (SAT)	Exam – Nonspecific Host Immunity (BLACKBOARD)
June 28 (Fri)	Lab Practical – Heart and Vessel Lab Practical (IN CLASS) → Start Module - Specific Host Immunity
July 5 (Fri)	Exam – Specific Host Immunity (IN CLASS) → Start Module - Respiratory System, Part #1 * Anatomy of Upper Respiratory Tract
July 10 (WED)	Exam – Respiratory System, Parts #1 (BLACKBOARD) → Start Module - Respiratory System, Part #2
July 12 (Fri)	→ Continue Module - Respiratory System, Part #2 * Anatomy of Lower Respiratory Tract
July 15 (MON)	Exam – Respiratory System, Parts #2 (BLACKBOARD) → Start Module - Digestive System, Part #1
July 19 (Fri)	→ Continue Module - Digestive System, Part #1
July 20 (SAT)	Exam – Digestive System, Part #1 (BLACKBOARD) → Start Module - Digestive System, Part #2 * Anatomy of the Digestive System
July 26 (Fri)	Exam – Digestive System, Part #2 (IN CLASS ??? Sat??? TBA) → Start Module - Male Reproductive System * Anatomy of the Digestive System * Introduction to Anatomy of the Urinary System
July 31 (WED)	Exam – Male Reproductive System (BLACKBOARD) → Start Module - Female Reproductive System
August 2 (Fri)	→ Continue Module - Female Reproductive System * Introduction to Anatomy of the Urinary System
August 5 (MON)	Exam 11 – Female Reproductive System (BLACKBOARD)
August 9 (Fri)	Lab Practical – Lymph., Resp., Dig., and Urinary Systems (IN CLASS)
