

North Shore Community College

Anatomy and Physiology II

SCHEDULE - 2024, Summer II – 10 Week - Bio 212-L01

Class/Lab times:

Tuesday (T) and Thursday (R) 12:00 pm – 3:15

Campus: Lynn

Room: LE301

Below is a tentative but probable schedule of topics and dates. The schedule may be modified due to lecture progress or unforeseen circumstances.

→ **Unexpected College Closures or Interruptions -**

Should there be an unforeseen college closure or interruption of college online services, revised scheduling will be announced and posted as soon as possible.

Exam Administration – exams are delivered by two means in this course:

- **In-Class:** In-class exams are administered at the beginning of class; lecture or lab will follow.
- **Blackboard:** Exams are administered on Blackboard and are proctored by the NSCC [Testing Center](#). Exams are available during regular hours of operation of the testing center.

Blackboard Exam Availability - Note that exams are available for TWO days from the start dates below. For example, your first Blackboard exam is scheduled for June 17 (MON); therefore, the exam will be available from June 17 – 18.

Register Blast – The student must register to take all Blackboard exams with the testing center in a timely manner using the [Registerblast](#) website. Do this at least a week in advance of any exam date.

Testing Center Hours – Click [HERE](#) to view the “Zoom Testing” and “On Campus Testing” hours.

NOTE: the lowest exam grade may be dropped with the exception of:

- Final Exam (Lab Practical #2)
- Reproductive Exams (male and female)

June 4 (Tues) → **Start Module - Blood**

June 6 (Thurs) → **Continue Module - Blood**

June 11 (Tues) Exam – Blood (In Class)
→ **Start Module – Heart**

Exams taken in-class are administered at the beginning of class; lecture or lab will follow.

Exams administered on Blackboard are taken during normal hours of operation of the Testing Center.
