

Northern Essex Community College

*Anatomy and Physiology II*

*SCHEDULE – Summer 2025 – Bio 122-L2A*

12 Week - Hybrid

Below is a tentative but probable schedule of topics and dates. The schedule may be modified according to the progress of the lecture or unforeseen circumstances.

NOTE: The lowest exam grade may be dropped except for the:

- Reproductive Exams (male and female)
- Final Exam (Lab Practical #2)

**Blackboard Exams** are open from 7 am and are to be completed by 11:59 pm.

**In-class Exams** are at the beginning of class. Always be on time.

Module and Exam  
DATES

---

May 19 (Mon) → **Start Module - Blood**

---

May 23 (FRI) \* **Continue Module - Blood**

---

May 28 (Wed) *Exam – Blood* (BLACKBOARD)  
→ **Start Module – Heart**  
(Review and note-take content before Friday)

---

May 30 (FRI) \* **Continue Module – Heart**  
\* Lab Heart Anatomy  
(Bring safety eyewear to class)

---

June 6 (FRI) *Exam - Heart* (IN CLASS)  
→ **Start Module - Vessels and Routes**  
\* Lab Vessel Identification

---

June 12 (Thurs) *Exam – Vessels and Routes* (BLACKBOARD)  
→ **Start Module - Lymphatic**

---

June 13 (FRI)	→ Continue Module - Lymphatic * Lab Vessel Identification
June 17 (TUES)	Exam – Lymphatic (BLACKBOARD) → Start Module - Non-specific Host Immunity
June 20 (FRI)	→ Continue Module - Non-specific Host Immunity * Review for Lab Practical #1
June 21 (SAT)	Exam – Nonspecific Host Immunity (BLACKBOARD)
June 27 (FRI)	Lab Practical – Heart and Vessel Lab Practical (IN CLASS) → Start Module - Specific Host Immunity
July 5 (SAT)	Exam – Specific Host Immunity (BLACKBOARD) → Start Module - Respiratory System, Part #1 * Anatomy of Upper Respiratory Tract
July 9 (Wed)	Exam – Respiratory System, Parts #1 (BLACKBOARD) → Start Module - Respiratory System, Part #2
July 11 (FRI)	→ Continue Module - Respiratory System, Part #2 * Anatomy of Lower Respiratory Tract
July 14 (Mon)	Exam – Respiratory System, Parts #2 (BLACKBOARD) → Start Module - Digestive System, Part #1
July 18 (FRI)	→ Continue Module - Digestive System, Part #1
July 19 (SAT)	Exam – Digestive System, Part #1 (BLACKBOARD) → Start Module - Digestive System, Part #2 * Anatomy of the Digestive System
July 25 (FRI)	Exam – Digestive System, Part #2 (IN CLASS ??? Sat??? TBA) → Start Module - Male Reproductive System * Anatomy of the Digestive System * Introduction to Anatomy of the Urinary System

---

July 30 (Wed)      *Exam – Male Reproductive System*      *(BLACKBOARD)*  
                         →      **Start Module - Female Reproductive System**

---

August 1 (FRI)      →      **Continue Module - Female Reproductive System**  
                              \*      Introduction to Anatomy of the Urinary System

---

August 4 (Mon)      *Exam 11 – Female Reproductive System*      *(BLACKBOARD)*

---

August 8 (FRI)      *Lab Practical – Lymph., Resp., Dig., and Urinary Systems*      *(IN CLASS)*

---
